

BRYCH  **N**

Scrap Trading L.L.C-S.P.C

WELCOME TO OUR COMPANY

Brychon Scrap Trading LLC is a family-owned business with over 14 years of experience in the metal recycling industry. From humble beginnings, Brychon has grown into one of the largest specialized metal merchants in the GCC, playing an integral role in the metal recycling sector in the Middle East.

14+ YEARS IN METAL RECYCLING

Providing reliable and innovative recycling solutions. Our extensive expertise ensures top-quality service and sustainable practices.

OUR JOURNEY

Innovation in Every Scrap

Starting as a small scrap metal company, Brychon has significantly expanded its operations over the years. In 2014, we introduced our innovative Swarf Management Systems, which offer customized solutions to maximize returns for our clients' scrap metal waste. Our journey is marked by continuous improvement, expansion of services, and a commitment to sustainability.

Scheduled pickups and prompt responses

OUR VISION

01.

To be the preferred choice for scrap recycling solutions, setting industry standards for sustainability and innovation. Driven by a commitment to excellence and integrity of our operations.

02.

To continuously invest in cutting-edge technologies that enhance operational efficiency and environmental stewardship, ensuring our leadership in sustainable scrap recycling practices.

OUR MISSION

- 01.** To contribute to a cleaner, greener planet by efficiently recycling scrap materials and minimizing environmental impact.
- 02.** To foster long-term partnerships based on trust, reliability, and mutual benefit, ensuring sustainable growth for our stakeholders.
- 03.** To empower our workforce through continuous training and development, promoting a culture of safety, innovation, and operational excellence.

CHAIRMAN'S MESSAGE

Dear Friends and Partners,

I am honored to welcome you to Brychon, where our commitment to sustainability meets the world of scrap recycling. We see scrap materials not as waste but as valuable resources waiting to be reborn. Our mission is clear: to reduce waste, conserve resources, and protect our planet.

We are committed to leading the way in responsible recycling practices, adhering to the highest environmental standards, and partnering with like-minded organizations and individuals. Your trust and support drive us to innovate and constantly improve. Together, we can make a profound difference in our world. Thank you for your trust in Brychon.

Warm regards,

Rahat Saleem Sandhu

Chairman, Brychon Scrap Trading L.L.C-S.P.C

COMMITMENT TO SUSTAINABILITY

Circular Economy Promotion

We promote the circular economy by recycling and reintroducing materials into the supply chain.

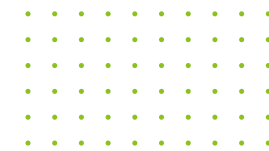

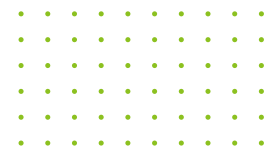

Carbon Footprint Reduction

Brychon is committed to reducing the carbon footprint of our operations.

Environmental Partnerships

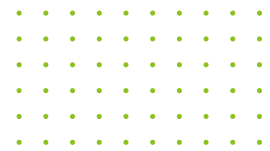

Partnerships with environmentally conscious organizations and initiatives that align with our sustainability goals.

QUALITY POLICY

At Brychon Scrap Trading LLC, we are committed to consistently meeting and exceeding our customers' expectations through the provision of high-quality scrap collection, sorting and processing, customized recycling solutions, as well as efficient logistics and transportation services.

We strive to achieve this by:

- **Continuous Improvement:** Continually enhancing our processes, services, and technologies to ensure maximum efficiency and effectiveness.
- **Compliance:** Adhering strictly to all relevant legal and regulatory requirements, as well as industry standards.
- **Customer Satisfaction:** Understanding and fulfilling our customers' diverse needs and requirements with personalized and reliable solutions.

- **Environmental Responsibility:** Operating in an environmentally responsible manner, promoting sustainability through efficient recycling practices.
- **Employee Engagement:** Empowering our employees through training, development, and involvement in the quality management process.
- **Partnerships:** Building strong, mutually beneficial relationships with our suppliers, partners, and stakeholders to foster growth and success.

We are dedicated to achieving these objectives through a culture of teamwork, integrity, and commitment to quality in all aspects of our operations.

HSE POLICY

Health, Safety, and Environment

At Brychon Scrap Trading LLC, we are committed to conducting our operations in a manner that prioritizes the health, safety, and environmental well-being of our employees, customers, contractors, and the communities in which we operate. Our HSE policy outlines our commitment to maintaining high standards and continuous improvement in these critical areas

We believe that integrating health, safety, and environmental considerations into our business operations not only enhances our performance but also reinforces our commitment to sustainable and responsible business practices. We are dedicated to achieving and maintaining the highest standards of HSE excellence and strive to be a leader in our industry in these important areas.

◆ Health and Safety

Employee Health: We prioritize the health and well-being of our employees by providing a safe and healthy working environment. This includes regular health and safety training, wellness programs, and access to necessary personal protective equipment (PPE).

Safety First: We promote a safety-first culture where all employees are empowered to identify hazards, report incidents, and actively participate in maintaining a safe workplace. Our goal is zero harm to people.

Compliance: We adhere to all applicable health and safety laws, regulations, and standards to ensure compliance and mitigate risks associated with our operations.

◆ Continuous Improvement

Performance Monitoring: We regularly monitor and evaluate our HSE performance to identify areas for improvement and take proactive measures to address any issues.

Training and Awareness: We provide ongoing training and awareness programs to educate our employees on HSE practices and empower them to contribute to our HSE goals.

Stakeholder Engagement: We engage with our stakeholders, including employees, customers, suppliers, and the community, to promote transparency and accountability in our HSE initiatives.

◆ Compliance and Commitment

Legal and Ethical Compliance: We are committed to conducting our business in accordance with all applicable laws, regulations, and ethical standards related to health, safety, and environmental protection.

Leadership Commitment: Our leadership team demonstrates visible and active commitment to HSE excellence by providing the necessary resources, support, and leadership to achieve our HSE objectives.

Communication: We communicate our HSE policy and objectives to all stakeholders and encourage open dialogue to foster a culture of continuous improvement and responsibility.

◆ Environmental Responsibility

Environmental Impact: We are committed to minimizing our environmental footprint through responsible waste management practices, recycling initiatives, and energy conservation efforts.

Resource Efficiency: We strive to optimize the use of resources, reduce waste generation, and promote the use of sustainable practices throughout our operations.

Pollution Prevention: We implement measures to prevent pollution, including proper handling and disposal of hazardous materials and regular monitoring of environmental impacts.
